

## NT BREAST CANCER VOICE (NTBCV) MEMBERSHIP APPLICATION/RENEWAL

### NTBCV Mission

NTBCV aims to promote breast cancer awareness and to continue to advocate for the improvement of services and conditions for all Territorians diagnosed with breast cancer. NTBCV promotes health and wellbeing through support of exercise, health programs and social support groups.

NTBCV is an independent, non-political, self-funded breast cancer advocacy group founded in 1998. We are a member group of Breast Cancer Network Australia (BCNA), the national voice of Australians touched by breast cancer.

We aim to:-

- Demonstrate for many that there can be an excellent quality of life despite a breast cancer diagnosis.
- Encourage all those affected to be proactive in taking responsibility for their own health.
- Assist in promoting public awareness of the magnitude of the occurrence of breast cancer.
- Welcome those with an interest in helping to improve services and conditions for those affected by breast cancer in the Northern Territory.
- Help work towards and enhance the achievement of best practices.

### Why become a member?
